13TH & 14TH DEC 2024

VENUE: CONVENTION HALL, THE VILLAGE, AGRA,
UTTAR PRADESH

ORGANIZER: RAJESH KUMAR GUPTA

Introduction

THE VILLAGE

“The Village”, a Prakash Bandhu initiative, is an organization dedicated to empowering nurses and nursing students, for building stronger health care provider communities as U.P. Nurses. We offer various training programs which are skill based, evidence and teaching based, motivational & spiritual, coupled with ethics and morality.

Whether you're seeking to advance your career or looking to connect with qualified nurses, “The Village” provides a valuable platform for growth and collaboration to both ends.

CONFERENCE

The proposed conference aims to inspire and equip current and aspiring nursing professionals to become leaders in healthcare. With the support of prominent professional bodies and renowned speakers, we are committed to fostering excellence and recognition in the field. The conference is endorsed by UPSMF and TNAI, offering participants credit hours together to enhance their professional development.

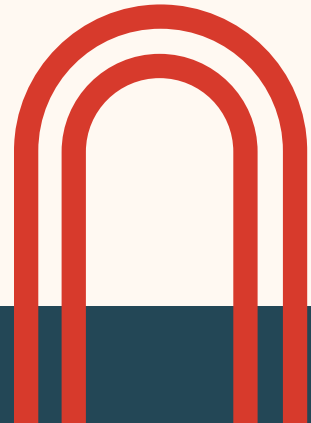

As a mentor it is our academic responsibility to encourage students and faculties to attend conferences to gain valuable experience, time and again.

Valedictory Session

It is the duty of the organizer to reflect on the shared experiences as a chance to express gratitude before the speakers and inspire the audience.

It is the time to wrap the conference with drawing conclusion and synthesize all the information as takeaway by all presents.

We are leaving space to write takeaway notes and paste pictures during valedictory session as a concluding remark for future reference for all of us.

TAKEAWAY #1 (BY AUDIENCE)

TAKEAWAY #2 (BY SPEAKER)
